RCC Educational Foundation, Inc.

The RCC Educational Foundation, Inc. (RCC EFI) raises funds to support student scholarships and programs at Rappahannock Community College, the only higher education institution in our 12-county service region. Our donors come from all across our community—individuals, big and small businesses, civic groups, and community organizations. Thank you for seeing the promise in RCC students!

This year's donor-funded scholarships will provide these students with the financial freedom to succeed in college, finish their degrees, and start their careers or transfer to four-year institutions. Our donors' generosity directly contributes to RCC students' ability to realize a better life for themselves and their families through the gift of higher education.

To support our students through scholarships, you can make an immediate gift online at www.rappahannock.edu/about-rcc/rcc-educational-foundation/make-a-donation.html or scan QR code.

For more information about establishing a scholarship, please contact Executive Director Sarah Pope at 804.333.6705 or spope@rappahannock.edu.

Applications are open for 2024-2025 scholarships

Each academic year, RCC awards scholarships to help students afford an education. Thanks to the generous support of our donors, over \$540,000 was awarded to 350 students for the 2024-2025 academic year. The average scholarship amount per student is \$1,561 which is approximately 30% of full-time tuition and fees! One application is all that is required.

The scholarship application is open! October 1 through February 19.

Beth Robins, Scholarship Specialist, will be available to help you navigate the scholarship application process. Contact Beth today at brobins@rappahannock.edu
