Verification of Identity for Verification Tracking Groups V4 and V5

There are several ways an institution may verify a student's identity. Complete this section if the student is selected for V4 or V5 identity verification for the 2026-2027 award year.

Note: To complete V4 or V5 identity verification, a student must present an unexpired, valid, government-issued photo identification such as a U.S. passport, a driver's license, or other state-issued ID.

Check the box that applies below:

☐ The student appeared in person and presented acceptable identification to an institutionally authorized individual.

☐ The student was verified by a service provider that is compliant with National Institute of Standards and Technology Identity Assurance Level 2 (NIST IAL2). The institution received acceptable documentation directly from the service provider confirming the date of the verification and that the student's identity was verified under the NIST IAL2 standard.

☐ The student was unable to appear in-person and provided the institution with a copy of the acceptable identification presented to a notary and a signed notary statement.

☐ The student was unable to appear in-person and appeared on a video call with institutional personnel and presented the acceptable identification to an institutionally authorized individual.

☐ The student is a confined or incarcerated individual and was verified by an authorized official at the correctional facility where the individual is confined or incarcerated.
