How often do you receive student accommodation document for Additional Time? On the main set up option for quizzes you will not find a setting to grant extra time. You must use Moderation.

2) Instead of Editing the quiz, on the far right, click on **Moderate This Quiz**

3) You will see a list of students in your class.

*Note—options to moderate will depend on options set up in the quiz—ie: must have a time limit to allow for extra time.
