

Create a Studio Quiz

In Studio—Global Navigation

1) Create or Choose your video source for the quiz

- A. Click the **Kabob** for the Video
- B. Select Create Quiz
You may have multiple Quizzes for the same video.

If you are creating an additional quiz for a video:

- C. Select Quizzes—Add Quiz

2) In the Quiz Settings box, enter:

- A. Title of the Quiz
- B. Description (Optional)
- C. Option to Hide the question markers on the video timeline from students.
- D. When all is ready, click **Get Started**.

3) You will be taken to the video player, you may watch the video or simply click on the timeline where you want to put a question.

- A) When you get to the right point, click the + icon on the timeline.

B) You have 3 question choices:

- Multiple Choice
- True/False
- Multiple Answer

C) Make your choice to create the question

4) For Multiple Choice or Multiple Answer questions:

- A. Enter the Question text (Question Stem)
- B. Type your answers
In **Multiple Choice** use the **Radio button** to specify the correct answer

In **Multiple Answer** these will be **checkboxes** and more than one can be selected

- C. Use the **+ Answer** to go beyond 2 options
- D. Options: Points are usually divided evenly between questions in a quiz based on the total at time of placement in the class.
Vary Points by Answer allows you to override this and assign differing values to different answers
Shuffle Choices rearranges the order of answers for each attempt.
- E. **Feedback**—you may leave feed back for Correct Answers, Incorrect Answers or ANY Answer.

F. Click **Save** to enter this question and continue.

5) True / False questions are much simpler

- A. Enter your Question
- B. Select the correct answer
- C. Use **feedback** for Correct, Incorrect, or ANY Answer
- D. Click **Save** to enter this question and continue.

6) You may add more questions if you wish. To edit an existing question hover over the ? icon, which will become a Pencil. Click this to edit.

7) When the quiz is completed, click **Done** in the upper right.

A video with a quiz will have the "Rocket" Quiz icon in the upper right corner of its tile.
