

# To Install Minitab 19

## Download the Minitab software:

- 1) Click on or copy this link to your Internet browser -  
<https://www.rappahannock.edu/pdf/minitab19.1.1.0setup.x64.exe>
- 2) Depending on which browser you use, you may be prompted to save file or open the file, or it may automatically save to your Downloads folder. Save your file
- 3) Contact the RCC Help Desk for License file. You should receive a license file in your email. Download this file to your computer; see License the Product below.  
[Click here to request Minitab License](#) – Please state your currently enrolled Class in the email.  
Save the license file in a known location on your computer. You will need it during the installation.
- 4) When you have your license file, locate and run the installation.
  - a. *Language* = English
  - b. Next
