

Reset myRCC Password

If you have previously set up security questions, recovering your password is simple:

- 1) Go to the myRCC link on the Rappahannock Community College web page (also <https://rcc.my.vccs.edu>)
- 2) If you do not know your username, follow the Recover Username Procedure (on RCC Help Desk—New User Procedure (<https://www.rappahannock.edu/pdf/myrcc-new-user.pdf>))
- 3) If you DO have your username but NOT your Password, click the **Forgot Password** Button
- 4) When Prompted, type in your **username** and click **OK**

If you receive this error:

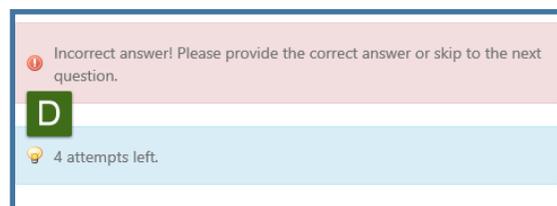

! You have not saved your account recovery settings. Please contact your helpdesk/administrator.

call you the [RCC Help Hesk](#) for assistance at 804.333.6786.

- 5) You **Advanced Password Reset Tool** will be prompted to answer your security questions .
Note: It will ask 3 of the 5 questions, at random, 1 at a time.
Answers are Dotted out for your protection

- A. Click **Next** to submit this answer and go to the next question
- B. Click **Skip** to avoid this question and pull another at random
- C. Click **Cancel** to start over
- D. While Typing you can click the Eyeball to see you're answer in plain text
If you get the Answer Wrong, you will be notified and given another chance

- 6) Type your New Password in the box (do NOT hit the Enter Key)
Move down and Verify the New Password
- 7) Click OK.
