**ADDENDUM TO GUARANTEED ADMISSION AGREEMENT  
VIRGINIA COMMUNITY COLLEGE SYSTEM  
AND  
RADFORD UNIVERSITY  
Effective Spring 2013**

No distinction will be made by Radford University regarding college courses applicable to the transfer associate degree that are taken through dual enrollment arrangements with high schools. Completion of the associate degree through dual enrollment will not preclude the student from eligibility under this agreement.

Students entering under the terms of the GAA are transfer students and are not eligible for freshman scholarships, but may seek transfer scholarships. If a student chooses to enter as a freshman, they will undergo a credit evaluation that will determine what courses will be accepted by Radford University. Students entering as freshman are eligible for freshman scholarships, but may not seek transfer scholarships. Students must indicate on their application if they intend to apply as a transfer student or freshman.

Approval granted by:
