In-person, online and hybrid course options available! Page 17

Education and Training for little or no cost! Page 19
From workforce credentialing; college credit toward an Associate or transfer degree; skills training; professional certifications to high school dual enrollment, RCC provides the stepping stone to a brighter future.

Right now there are more sources of financial aid and tuition assistance available to RCC students than ever before. Virginia’s G3 and FastForward programs allow students to complete competitive programs at little to no cost, paving the way for a debt-free college experience.

We’ve invested in the technology and resources to bring quality educational experiences to fit everyone’s schedule and lifestyle.

So start strong, stay strong, and finish strong at RCC!

Shannon L. Kennedy, Ed.D.
President

COVID & RCC

RCC is working hard to avoid disruptions due to COVID-19, while at the same time acting responsibly to do what we can to prevent further spread of the virus. Because of this, please know that the schedules listed are subject to change. Call (804) 758-6750 or scan for schedule updates.
Debra Jo Jenkins graduated Summa Cum Laude in 2021 with a degree in Psychology/Sociology after conquering addiction and obtaining her high school degree as an adult. “I don’t know if I would have succeeded as well at another college. RCC had the right instructors, staff, fellow students, and programs at the right time for me.”

If you’re interested in furthering your education and getting certifications or a degree that can lead to a career, we can help you find the money to make it happen. Our programs work with you, wherever you are. Classes are flexible enough to allow you to start and stop along the way.

97% of our students say that RCC provides high quality educational experiences. 98% say the buildings and grounds are well-maintained and clean. 92% say RCC provides high quality support services. 95% say RCC is very helpful.

PREPARING INDIVIDUALS FOR SUCCESS IN TWELVE COUNTIES

RCC’s service area covers 12 counties. The two main campuses are Glenns in Gloucester County and Warsaw in Richmond County. There are four off-campus sites: the Kilmarnock Center; the King George Site; New Kent Site; and the Westmoreland Workforce Training Center (WWTC).

Dual enrollment classes are offered at the Bridging Communities Career and Tech Center, the Northern Neck Career and Tech Center, the Chesapeake Bay Governor’s School, and at 15 participating high schools.

Warsaw Campus located in the heart of Warsaw at 52 Campus Drive.

Kilmarnock Center at 447 N. Main Street in the Chesapeake Commons Shopping Center.

Glenns Campus located in Gloucester County, on Route 33, just off Route 17.

New Kent Campus located in New Kent County, at 11825 New Kent Highway.
BUSINESS & HOSPITALITY MANAGEMENT

- **Administration Support Technology Certificate**

  This certificate is designed to train persons for full-time employment in an office-related environment. Get this certificate in 2 semesters (31 credits). Financial-aid eligible. Estimated cost for full-program with tuition, books, and fees is $6,400. **Contact (804) 333-6730.**

AWS WELDING CERTIFICATION PROGRAMS

Welding is one of RCC’s most popular and successful programs! Our excellent instructors provide the direct, hands-on lab instruction needed to gain crucial skills and become a credentialed welder! Expect an emphasis on safety, quality, and the responsibilities associated with certification. *Call for additional dates and locations.

DISCOUNTS MAY BE AVAILABLE

PROGRAM REQUIREMENTS

Students acquire skillsets that are attached to specified American Welding Society certifications and must earn the industry credential prior to advancement in the program. Personal Protective Equipment (PPE) is required and must be purchased by each participant in the program.

Attendance is critical to successful course completion. All welding courses must be taken in sequence due to safety/lab restrictions. Meeting or exceeding weld quality specifications as outlined by the American Welding Society (D1.1 code) are a requirement prior to testing.

PPE required:
· Hard-soled, 8” lace up leather boots (steel toe preferred but not required)
· Gloves (gauntlet type)
· Welding Shield & Helmet (self-darkening preferred)
· Safety Glasses (ANSI Z87.1)
· 100% Cotton Long-sleeve Shirt or Flame-Retardant Welding Jacket

Class sizes are limited so sign up early! If you are interested in discount and financial assistance, you must contact us at least three weeks before the start of class.
KEY | ☀ SHORT-TERM TRAINING | ▲ COMPLETE WITHIN 1 SEMESTER | ■ COMPLETE WITHIN 2-3 SEMESTERS | 🌐 CREDENTIALS

- **Shielded Metal Arc Welding (SMAW)**
  Shielded Metal Arc Welding, often referred to as stick welding, is the basis of all welding processes. Learn to weld multiple joint designs utilizing the SMAW process in accordance with American Welding Society specifications. Class cost is $801.

- **Gas Metal Arc Welding (GMAW)**
  Gas Metal Arc Welding, often referred to as MIG, offers lab instruction in the following processes: short circuit; spray transfer; and pulsed transfer. Learn to weld multiple joint designs utilizing the GMAW process in accordance with American Welding Society specifications. Class cost is $999.

- **Flux Cored Arc Welding (FCAW)**
  Flux Cored Arc Welding is an all position process. Learn the proper machine set up and equipment operation and how to weld multiple joint designs utilizing the FCAW process in accordance with American Welding Society specifications. Class cost is $999.

- **Gas Tungsten Arc Welding (GTAW)**
  Gas Tungsten Arc Welding, also known as TIG or Helio-Arc, is the most technically demanding process. TIG welding is a two-handed process. Utilize multiple joint designs and base metal types using the GTAW process in accordance with American Welding Society specifications. Class cost is $450.

- **Introduction to Pipe Welding**
  Utilizing the SMAW or GTAW process includes two designs: open root joint design and backing ring joint design. Students must have a 3G AWS Welding certification in SMAW or GTAW process prior to enrolling in this class, (a preparation class may be offered to students that need to meet this requirement), or field experience with instructor’s approval. Class cost is $801.

**Class A Commercial Driver License**

Truck Drivers are in high demand! This commercial driver license (CDL) course will certify you to drive a Class A motor vehicle such as a tractor trailer, dump truck, cement truck, etc. New drivers average $700-$1,100 a week in the first year!

We offer a four-week, full-time program. The first week is in the classroom where you will learn important safety and regulation topics and the foundation is laid for you to begin the range and road training. This training consists of a pre-trip inspection, backing maneuvers, and road training as required by the DMV skills test. Students demonstrating proficiency in these areas advance to take the skills test. Enjoy our hands-on approach to training and benefit from the instructor’s dedication to your success.

Class size is limited so sign up early! Cost is $4,500. Multiple funding sources are available to assist with tuition costs. If you are interested in discounts and financial assistance, you must contact us at least 3 weeks before the start of class.

Contact Janet Childs, (804) 333-6754, for details.

*DISCOUNTS MAY BE AVAILABLE

---

**Engineering, Drafting & Electrical/Instrumentation Technicians**

Certificates include:

- **Practical Electrical Technician Career Studies Certificate** (16 credits)
- **Electrical and Instrumentation Technician Career Studies Certificate** (17 credits)
- **Basic Electronics Career Studies Certificate** (20 credits)
- **Computer-Aided Drafting Career Studies Certificate** (16 credits)
- **Introduction to Engineering Technician Career Studies Certificate** (16 credits)

Career options in this field of study include: manufacturing technician, industrial engineering technician, industrial electronics technician, industrial instrumentation technician, instrumentation specialist, instrumentation planner, instrumentation engineering assistant and instrument repair person. Programs are financial-aid eligible.

Contact (804) 333-6730.

---

RCC Tip: See page 17 for more information on these career studies certificates and the Pre-Engineering & General Engineering Technology associate degree programs.
HVAC Technician

RCC offers a part-time evening program in New Kent. Most program students work during the day, often in HVAC fields. The Bureau of Labor Statistics predicts a 15% growth in the demand for HVAC techs through 2026.

- **HVAC Career Studies Certificate** (17 credits)
  One-year, evening, part-time program. Financial-aid eligible. Estimated cost for full program with tuition, books, and fees is $2,800.
- **HVAC Career Studies Certificate, Advanced** (29 credits)
  Two-year, evening, part-time program. This certificate is financial-aid eligible. Estimated cost for full program with tuition, books, and fees is $4,550.

**RCC SUCCESS**

Jackie Brooks, Montrose Elliott, and Kendall Walker are successful graduates of RCC’s Customer Service/Hospitality Integrated Education and Training (IET) program. Completing the program helped Jackie open the door for future career opportunities while modeling her commitment to the value of continuing education as an inspiration to her grandchildren and everyone she meets. Montrose is currently employed with Food Lion and uses her newly gained skills to assist customers in the deli department. Kendall works in customer service at the Compass Entertainment Complex and anticipates her new certifications will help her advance in the hospitality and tourism industry. IET is a research-proven program combining focus on academic skills, workforce preparation, as well as training for industry-recognized credentials. The program is a collaboration of RCC’s Workforce Skills and Training, Power Up, and Adult Education programs.

High School Dual Enrollment Program
High School students can take college-level courses through RCC with the Dual Enrollment program. Dual enrollment agreements with local public school systems offer college-level courses that can be taken at the high school. Dual enrollment programs are voluntary and enable students to take community college courses while enrolled in high school and provide college-level educational opportunities not otherwise available. **For the first time, dual enrollment scholarships are available to qualified high school students.**

Contact Hutt Williams, Coordinator of Dual Enrollment at hwilliams@rappahannock.edu or (804) 333-6744 for more information.

RCC SUCCESS
Before officially graduating from high school, **Jordyn Rollins-Williams** had earned an Associate degree and STEM at Work Career Studies Certificate through RCC. As a student in the Chesapeake Bay Governor’s School, Rollins-Williams was taking classes and earning college credits so she decided to take a few extra classes to complete an Associate degree as a dual-enrolled student.

Jordyn’s credits easily transferred and she entered The College of William & Mary with two years of college already completed. This will save her over $30,000 in tuition.

Our Applied Science Degrees will help launch you on a path of a rewarding career. Complete in 4 semesters.

ASSOCIATE DEGREE: Arts & Sciences

* Business Administration
* Criminal Justice
* Health-STEM
* Pre-BSN Specialization
* Pre-Engineering
* Psychology/Social Work
Sustainable Science
Teacher Education

Designed to give you all the classes needed to transfer successfully to the college of your choice. Complete in 4 semesters.

RCC has partnerships with approximately 40 four-year schools in Virginia, guaranteeing that if you maintain proper grades, you will be accepted.

FAST-FORWARD CREDENTIAL PROGRAMS

Adobe Certified Associate: Illustrator
Adobe Certified Associate: InDesign
Adobe Certified Associate: Photoshop
Certified Nurse Aide
Certified Welder
Data Cabling Installer
Emergency Medical Technician (EMT)
Fiber Optic Installer
Flux Core Arc Welding (FCAW)
Gas Metal Arc Welding (GMAW)
Gas Tungsten Arc Welding (GTAW)
Industrial Technology Maintenance Basic Hydraulic Systems
Industrial Technology Maintenance Basic Pneumatic Systems
Industrial Technology Maintenance Electronic Control Systems
Industrial Technology Maintenance Process Control Systems
Level I CNC Milling: Programming Setup & Operations
Level I CNC Turning: Programming Setup & Operations
Manufacturing Technician 1 (MTI)
Medication Aide
Pharmacy Technician
Shielded Metal Arc Welding (SMAW)
SHINE Solar PV Installation Technician Certification

Specializations in:

* Accounting
* Administrative Support Technology
Baking and Pastry Fundamentals
Basic Electronics
Computer-Aided Drafting
Computer Applications Specialist
* Criminal Justice – Advanced
* Criminal Justice – Foundations
Culinary Arts
Culinary Arts – Advanced
Diesel Mechanics Tech
Electrical & Instrumentation Technician
EMT – Emergency Medical Technician
EMT – Advanced Emergency Medical Technician
* Game Design and Development

HVAC
HVAC - Advanced
Intro to Engineering Technology
* Law Enforcement

* Networking and Cybersecurity – Basic
Networking and Cybersecurity – Adv
Nurse Aide
Paramedic I
Paramedic II
Phlebotomy
Practical Electrical Technician
Practical Nursing
Pre-Medical Lab Tech
Pre-Nursing
Pre-Paramedic
Pre-Practical Nursing
STEM at Work
* Web Design

Career Studies Certificates are designed to give you specific job skills in a short period of time. Credits earned in certificate programs may count toward associate degree requirements. Complete in 1 to 2 semesters.
“I really love attending RCC and can’t wait to continue my academic journey!”
– Fall 2021 Student

HOW TO PAY FOR EDUCATION

The G3 Scholarship: A new way for students to get ahead in a career

The typical tuition cost for a full-time degree seeking student at RCC is $4,650 per year; however, with the G3 scholarship and other financial aid, that number could be brought down to $0!

The G3 Scholarship is available to students who:

• Are Adults (18+ and not enrolled in high school)
• Are Virginia residents
• Complete the Financial Aid Application
• Classify as Low- or Middle-Income
• Take a minimum of 6 Credits
• Make Satisfactory Academic Progress
• Enroll in a Healthcare, Information Technology, Manufacturing/Skilled Trades, or Public Safety

As long as you are on track to finish in three years, you can take a break and remain on the G3 Scholarship.
FastForward Credential Scholarships

FastForward is a short-term, credential grant program to train Virginians for top, in-demand jobs across the Commonwealth. FastForward covers 2/3 of the cost of tuition for a wide range of credential programs offered at RCC.

Most FastForward programs take between six and 12 weeks and are built so students can get their education quickly. FastForward helps students gain the skills they need quickly and affordably, while creating more opportunity for their future.

Federal and State Grants and RCC Educational Foundation Scholarships

A number of need-based federal and state financial aid awards that typically do not have to be repaid are available to low-income students to pay for college costs, including tuition, fees, room and board, and other educational expenses.

Each year, the RCC Educational Foundation offers over 300 scholarship awards totaling approximately $430,000 to RCC students. Scholarships can be combined with federal and state financial aid or used alone to cover the cost of RCC tuition and fees.

RCC Navigators are ready to advise you on your next steps and determine what tuition assistance may be available to you.
