Informed Self-Placement Enrollment for New Students
(Students who graduated high school or received a GED 6+ years ago)

- Student completes admission application.
- RCC communicates link to the VCCS Enrollment Survey (<http://desurvey.vccs.edu>) to student per usual methods (i.e., email, text, etc.).
- The student logs in to survey with their myVCCS credentials, which identifies their high school graduation date from the application and delivers the correct questions.
- Non-traditional students will be shown examples of English and math problems based on their chosen academic major and given the opportunity to evaluate their academic readiness.
- Students will be asked to retain a copy of their VCCS Enrollment Survey results to discuss with their college navigator.
- Automated processes will place non-traditional students in highest-level student group for math and English upon completion of the questionnaire.
- Non-traditional students are not required to provide high school transcripts, standardized test scores or to take a placement exam.
 - High school transcripts may be required because of the financial aid process.
 - The VPT will be available if students wish to use this to this for placement guidance.
- Non-traditional students are encouraged to meet with an advisor prior to enrolling in courses.
- In consultation with a navigator, non-traditional students may choose to take MDE 10, MDE 60, or EDE 10 prior to enrolling in the college-level course.
- In consultation with a navigator, non-traditional students may choose to enroll in a co-requisite developmental course with a college-level course.
