MESSAGE FROM THE PRESIDENT

I send my heartfelt thanks to all of our friends who support Rappahannock Community College, and especially thank Ellen and Lakey Cowart for welcoming us to their beautiful property this year, which represents everything we love about the Northern Neck!

Proceeds from this year’s Preakness Party partially support scholarship awards to students, as well as other program needs not funded through state allocations. We are pleased to announce that the Foundation awarded 340 scholarships totaling over $506,000 for the 22-23 academic year. This includes 183 scholarships totaling $198,000 to every high school senior in the 12-county service region who completed the scholarship application, ensuring that a college education is within reach for students.

I am amazed at the generosity of individuals and businesses in the 12-counties we serve who make higher education possible for hundreds of students each year. Enjoy today’s Preakness Party at Kennersley and thank you for joining us!

Dr. Shannon L. Kennedy, Ed.D.  
President

FAITH EAKINS

I am honored to be one of the recipients of RCC Preakness Party Scholarship. Thank you for your generous support. Receiving this scholarship is such a blessing. My ultimate goal is to get a bachelor’s degree in Psychology and graduate debt-free. I hope to be able to serve as a counselor and children’s behavioral therapist sometime in the future, where I will have the ability to help people. My educational pursuits would not be possible without generous support from scholarship sponsors like yourself. Thank you for enabling this opportunity!

DREW GENTRY

I can’t put into words how much I appreciate your kindness and empowering me to be able to begin my education. It relieves a lot of stress both for myself, trying to work and going to school and for my parents. I can honestly say I don’t know if I’d be able to attend and manage everything I need to without your support. I am attending RCC to complete my associates and then plan to transfer to Liberty University for Zoo and Wildlife Biology. On behalf of myself, my younger sister, and parents I thank you for allowing me the privilege to attend college.

In Loving Memory
of Elizabeth Miller

Elizabeth Miller, long-time Preakness Volunteer Steering Committee member, provided the artistic vision for all of the beautiful details that have made this event special for 18 years. Warmth and grace were Elizabeth’s hallmarks and remembered by everyone who had the privilege of knowing her. Each year, we looked forward to seeing Elizabeth in her resplendent party hat and ensemble, always lovely even after many hours of decorating the party venue. Elizabeth’s talents provided a means to support scores of RCC students and her legacy, as well as her loss, are felt deeply in our community. We miss and love you, Elizabeth.
